"LET'S NOT POOCH IT UP THIS TIME!"

2008 February 28

by

Eric Williams

President of the CNS

The presentation will review nuclear's start and growth in Ontario in the early 1970s, and how we let it slip away. The presentation continues with a review of the current refurbishment projects, their status, the possibilities for future growth, and what we - you and I - must do to help realize these promises.

Date: **Thursday, February 28**

Time: 7:00 pm.

Location Navy Mess

78 Lisgar Street, behind City Hall and one block east of Elgin

Cash bar available.
